

## OPERATING INSTRUCTIONS

for

### MASCOT PORTABLE SCOREBOARD

1. Plug AC line card into 120 VAC 60 HZ 5 AMP Electric service. Place power switch, on the back of board, to ON position.
2. To reset clock, turn minute hand carefully in a clockwise only direction to desired time.
3. To start the clock, place the time switch on the back of board to the IN position. The clock will then run back to zero at which time the buzzer will sound. The time switch will have to be placed in the OUT position to stop the buzzer.
4. To set the score position merely set desired score on either HOME or GUEST dial knobs.
5. The Bonus lights are operated by switching on either HOME or GUEST Bonus switches to ON position.
6. The Period lights are operated by placing the period light indicator to desired period.
7. The Horn may be operated manually by the horn button on the back of the board.

NOTE: There are 4 spare lamps included inside the board. These may be obtained by removing the 5 top screws on the board and gently separating the board. These lamps are taped to the inside of the back.

## DAMAGE CLAIM PROCEDURE

An instruction sheet is enclosed with each shipment advising the Consignee (location where board is shipped) what to do in case of damage in transit.

1) If damage is noted at time of delivery, Consignee must obtain an Inspection of Bad Order from the delivering carrier (truck driver or shipping agent). In order to process your claim, this must be properly filled out with a complete statement of all damage and signed by the carrier.

2) If damage is discovered after delivery, you (Consignee) should call the Express Agent (in rail shipment) or the delivering truck company (if truck shipment) and have him make out a Concealed Damage Report. Fifteen days after delivery are allowed so this should be done PROMPTLY or it is impossible to process this claim.

3) In either case, advise Consignor (ALL-AMERICAN) of necessary replacements, parts or repairs. Consignee will be invoiced and then should file claim with carrier to recover charges.

### TO FILE YOUR CLAIM FOLLOW THIS PROCEDURE

- 1) Cost of replacement parts or repair charges are invoiced to the carrier by the Consignee.
- 2) The following documents, in addition to the invoice, are forwarded to the Truck Company or Express Agency in support of your claim.
  - a) Original bill of lading
  - b) Original paid freight bill
  - c) Certified copy or original invoice
  - d) Standard form for Presentation of Loss and damage claim properly filled out
