

This image shows a fully functional basketball scoreboard interface. The HOME team side is highlighted in red, and the GUEST team side is highlighted in blue. All buttons are active and have a glowing effect. The interface includes:

- Scoreboard:** HOME and GUEST sections with score indicators (+3, +2, +1, -1) and various edit buttons (Edit Score, Edit Time Out, Edit Team Fouls, Edit Player Number, Edit Player Foul).
- Game Flow:** Up/Down, Edit Time, Reset Time, Half Time Reset, POSS. (possession) indicator, and Period +1.
- Statistics:** Home Foul Stats, Guest Foul Stats, and Shot Clock Reset.
- Officials:** OFFICIALS TIME OUT indicator.

Basketball Scoreboard

This image shows a blank version of the basketball scoreboard interface. The HOME team side is highlighted in red, and the GUEST team side is highlighted in blue. The buttons are mostly inactive (greyed out), but the following buttons remain active and highlighted:

- Scoreboard:** HOME and GUEST sections with score indicators (+3, +2, +1, -1) and Edit Score, Edit Time Out, Bonus Double Bonus, and Time Out -1 buttons.
- Game Flow:** Edit Time, Reset Time, Half Time Reset, POSS. (possession) indicator, and Period +1.
- Officials:** OFFICIALS TIME OUT indicator.

Blank Keys Still Active - Basic Basketball Scoreboard - Turn Off Auto Bonus
