Track Scoreboard

The scoreboard interface is divided into three main sections: a Red team scoreboard on the left, a central control area, and a Yellow team scoreboard on the right.

- Red Team Scoreboard (Left):** A vertical stack of five score buttons labeled +4, +3, +2, +1, and -1. To the right of the +3 button is an "Edit Score" button. To the right of the +2 button is an "Edit Time Out" button. Below the +2 button is a "Time Out -1" button.
- Yellow Team Scoreboard (Right):** A vertical stack of five score buttons labeled +4, +3, +2, +1, and -1. To the left of the +3 button is an "Edit Score" button. To the left of the +2 button is an "Edit Time Out" button. Below the +2 button is a "Time Out -1" button.
- Central Control Area:**
 - Top row: "Up Down", "Edit Time", "Reset Time", "Time of Day".
 - Second row: "Period +1", "BALL POSS." with a double-headed arrow.
 - Third row: "CLEAR KEY", "CLEAR POSS.".
 - Bottom row: "EDIT KEY", "RESET KEY", "RESET POSS.", "EDIT POSS.".

Whirlyball Scoreboard

This is an identical copy of the Whirlyball Scoreboard interface described above. It features a Red team scoreboard on the left, a central control area, and a Yellow team scoreboard on the right, all with the same layout of buttons and labels.
