

The scoreboard interface is divided into two main sections: HOME (red) and GUEST (blue). Each team's section includes a score display (+1 and -1), an Edit Score button, an Edit Time Out button, a Time Out -1 button, an Edit Corner Kicks button, and a Corner Kicks +1 button. Additionally, there are Edit S.O.G. and Shots on Goal +1 buttons for each team. In the center, there are control buttons: Up Down, Edit Time, Reset Time, Half Reset, and a Half button.

Soccer Scoreboard

This is an identical copy of the scoreboard interface described above, featuring the same layout of Home and Guest team statistics, control buttons, and central functions.
