Sky Blue Scoreboard with Yellow Trim Shown.

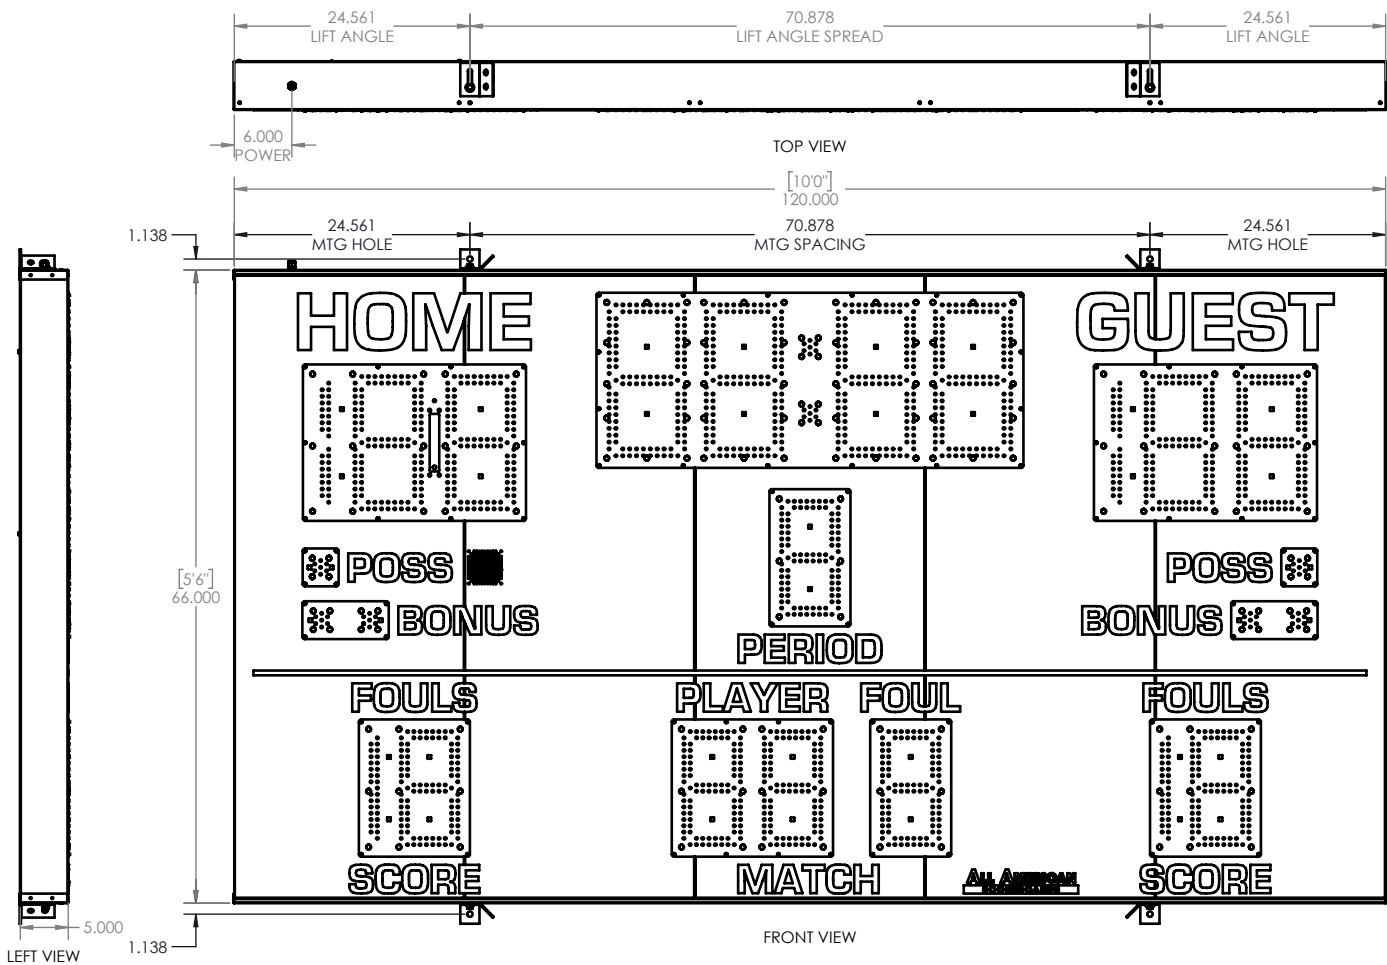

BK9102 Installation

Recommended for Indoor Installation only.

Scoreboard MUST be mounted in at least 4 points. See MTG SPACING for distance between mounting holes.

Using lifting angle, lift scoreboard to desired location and bolt to wall or structure. Because wall types and structure may vary, type of bolt cannot be recommended nor supplied by All American Scoreboards. Refer to scoreboard weight and wall type before determining installation method. All American Scoreboards (AAS) and/or Everbrite, LLC shall not be held liable for improper installation.

AAS recommends the scoreboard be installed by a licensed contractor, and must meet all local and national building codes. AAS recommends using a boom, forklift, or crane of suitable size to use in installation.
